

## **NEW DISTRIBUTION RATES IN EFFECT**

As of February 1, 2015, new distribution rates for Algomapower Inc. customers are in effect.

Your service is classified as seasonal. This classification includes all services supplied to a single-family dwelling unit for domestic purposes, which are occupied on a seasonal/intermittent basis. A service is defined as Seasonal if occupancy is for a period of less than eight months of the year.

For current rates and further details of how we conduct our business described in our Conditions of Service, please visit [www.algomapower.com](http://www.algomapower.com).

# Take Charge of Your **ENERGY CONSUMPTION**

Why not sign up for MyHydroEye, a web portal and smart phone app designed to put you in charge of your hydro consumption at home, cottage, and at your business. With MyHydroEye you can track your hydro consumption patterns, monitor your electrical consumption and compare what time of day you are operating most efficiently and at what cost for electricity (other rate components are not included). Registering with MyHydroEye allows you to make informed decisions about your consumption habits. Reducing and shifting your usage can result in a positive impact on your monthly billing.

To get started with MyHydroEye, visit **[www.algomapower.com](http://www.algomapower.com)**. You will need your account number, your name as it appears on your invoice, service address and your MyHydroEye account activation code located on your invoice.
